Neil Robinson,

One Connected Cardinia

Dear Neil,

On behalf of Gurudwara Siri Guru Nanak Darbar, we would like to express our heartfelt gratitude for your outstanding contribution to the success of the 1CC Fitness in the Park project. Your vision and dedication have been instrumental in bringing together a diverse community in the Cardinia Shire region.

The six-week program that you have organized on our Gurdwara grounds has been a tremendous success, and we are incredibly proud of the impact it has had on our community. The program aimed to connect people from different cultural backgrounds, and your ability to bring people together through fitness and wellbeing initiatives was truly inspiring.

We are amazed by your commitment to the health and wellbeing of all participants and your dedication to improving their lives. The program not only focused on physical health but also on mental health and community connections, which is so important in today's world.

With warm regards,

SGND Volunteers
